## Mara Nord News in Short

**Project starting meeting** was held in Rovaniemi on 14th -15th of April. The meeting was attended by all project partners. The project team informs you on the key decisions made during those two days.

- The solution was thought for the **company vote** in the PSC. It was proposed that Geir Berntsen (NCC Roads) could possibly take this role. The proposal has to be accepted by all companies and then approved by PSC.
- During the meeting it became clear that there is a need for a Project Manager and Substance Expert to **visit** all the **companies** to make direct contact to clarify each companies needs in the Mara Nord project. These meetings will be organized with help of Johan Ullberg for the Swedish organizations and Leif Jørgen Bakløkk for meeting the Norwegian organizations. These meetings will take place during late May.
- During the project meetings it was decided that during the length of the **project** two **tenders** will be issued. The first of the tenders will be announced as soon as possible in April and it will be placed in [www.hankintailmoitukset.fi](http://www.hankintailmoitukset.fi), the official website for tender notices in Finland.
